He discovered that sick/vacation pay at Philip Read had been counted twice. The new appropriation is $111,149.

C. Monthly Report: Receive
   1. PRML Director’s Report

   Nancy reported that the average for story time during the summer was about 20 children. The average theater attendance was 70 attendees per show. The attendance for the marionette show for the 250th celebration was over 100.

   Nancy is not sure if Thom Lappin has finished the painting PRML. A new bid will need to be done for finishing the trim on the back door and repainting the front door.

   2. PRML Statistics

   MOTION— It was moved and seconded that the September reports from the director be received and approved as amended. The motion was unanimous and carried.

D. Discussion of Philip Read Memorial Library—Nancy

   a. Update on activities

   Nancy is working on scheduling adult programming as follows:
   10/26 Author Adell Farley Harvey will do a reading
   In October or November Sarah Gillens will do a presentation on her trip to Scotland.
   Joyce Hanley will do a presentation on her African Safari Trip (the date for this is still to be determined).

   The book discussion group has resumed after a summer hiatus.

   Carol Greenan and Diane Rogers 4-20 children ran story time this summer with an attendance of between and 4 and 20 children each time.
b. Library needs

**Maintenance Needs**
Nancy brought the following items to the Board of Trustees as maintenance needs for the library:

1) Put a request for bids from window washing companies to wash windows inside and out. Volunteers not working out on this for various reasons.
2) Painting as outlined above under her monthly report.
3) The flag and pole need to be replaced. Several options were discussed to reduce the wear and tear.
4) The outside faucet needs to be replaced or repaired.
5) A gooseneck faucet in bathroom as originally planned.
6) The front railing needs to be painted.
7) Some basement window frames need repair.
8) Some window screens need to be repaired/replaced.
9) The outside drains need to be cleaned prior to the winter.
10) The bike rack needs painting.
11) The door on the south side of the building needs weather stripping.
12) The trap door in front of the elevator needs an interior paint touch up.
13) Anita had suggested a covered cabinet built to hide the recycling bins in the front entry way.
14) The wooden rails alongside the brick walkway are rotting away and may need to be replaced or the walkway may need to be redone.
15) The railings of the interior stairways need a touch up of paint.
16) The lighting in front room and ballast are in need of repair. We will have Joanna Sharf give us a bid on this.
17) Light sensor in the elevator so that the light only goes on when the elevator is in use. Nancy will ask the elevator company if this is even possible or within code.

Nancy will divide the above list into items volunteers could do, items that need a bid and items to submit to Dave Grobe for a bid.

Dennis Girouard has agreed to take care of the following items:

18) The front railing needs to be tightened.
19) Paving put under the outside sign.
20) Finish painting the shed.
21) Fix the book drop.

c. Library Wishes

**Maintenance Wishes**

1) A motion detector light for the book drop in back of the library. Nancy will also include this on the bid from Joanna Sharf.
2) The staff has requested door alarms to alert them as to when someone is coming in an entrance. The Facilities committee will check into what options are available.
3) A rug cleaner or steamer for the children’s room and the floor mats.

4) A hook-up for generator:
   Option 1) A hook-up to keep furnace operating and prevent the pipes from freezing
   Option 2) A generator hook-up to meet the standards to serve as an emergency shelter.
   Selectman Rob Taylor has mentioned this. This could be discussed with the Selectmen at the meeting 10/19 that the Board of Trustees are scheduled to attend.
   Nancy will include this in the bid request to Joanna Sharf and ask her to let us know the proper wattage of the generator with each option above.

Other Wishes
1) Increase library hours and/or administrative hours.
   The staff is short on time due to increased patron visits and the need to assist them.
   Anita discussed the need for the staff to keep a “time log” of their duties/activities to verify the need for increased hours.

2) Finish the downstairs.

Upcoming Workshops/Conferences
1) Small Library Summit—April 2012
2) Annual National Public Library Association Conference in Philadelphia through 1/12/2012 $215 plus travel and lodging for approximately 3 days. The benefit is that the focus is entirely on public libraries. Nancy will get concrete costs as well as the programming and what she feels would be of benefit.
3) There will not be a New Hampshire state conference for 2012 (usually ~$90).

Automation

Nancy met with Mark and Kim last week to develop an automation timeline for Philip Read Memorial Library. This initial timeline would have PRML “going live” towards the end of the summer. This timeline is without doing an inventory. Nancy is still not sure it would be best to skip doing an inventory. She is concerned about the how “clean” the data will be. There are several issues that we aren’t clear on and are hoping to resolve in a conference call with the service provider, Equinox, sometime next week. We do know that we would save a $1400 “dedup” fee by putting the state records for both libraries into the system at the same time. Nancy is now comfortable with volunteers being involved in the process. Based on sample inventories completed by both Nancy and Diane and Kim and Mark it would take roughly 150 hours to complete the bar-coding and uploading of records into the system. It would take roughly another 300 hours to complete an inventory. Nancy does not feel that we should have to adjust the budget to provide for the automation project. It should be a separate line item.
Nancy would like to consult our technology volunteer in some of the hardware decisions re: the automation project, Des Hudson.

d. Requests for now and upcoming years
Short and Long Term Goals

1) Automation—see above
2) Finish Basement
3) Increase in hours—see above

E. Facilities

Bernadina has secured fixed pricing on fuel oil at $3.61 per gallon. We need to approve this.

  MOTION— Anita moved and Kara seconded that the September reports from the director be received and approved as amended. The motion was unanimous and carried.

F. New Business

There was discussion re: the approach to budget process. We will continue this discussion at the regular October meeting.

   Downloadable audio and ebook stats are now available. So far this year the libraries combined have 51 unique patrons that have checked out 376 audiobooks and 101 ebooks with an average cost of $5.39 per patron. These statistics are comparable to libraries in similar sized towns.

   Bev Widger has offered to meet with the Board and present her comments from a recent meeting with a labor law lawyer and respond to any questions the Board may have.
Kara was concerned that the 4th of July visits counted by PRML skewed the data; however, Nancy and Anita explained that patrons used the library like they do any other day with books being checked out, the Children’s room being utilized, trash stickers being sold, etc.

MOTION— It was moved and seconded that the reports be received and approved. The motion was unanimous and carried.

D. Committee Reports: Receive reports and take any action required

As we continue to work on drafting policies, Mark encouraged us to keep in mind the purpose of a library—how libraries serve the “greater public”—and to step back and consider if we are being too confining in our policies.

   b. ML has a new book drop that Thom Lappin made. It is a dramatic improvement from the old one.
4. Technology
   a. Evergreen has outlined a proposal for Open Source. A meeting date needs to be set for the directors, Mark, Kim, Howe representatives, and Evergreen.
E. Old Business
   1. The trustees voted "No" on the decision regarding posting audiotapes of board meetings to the public library websites.
   2. Everyone present signed the policies that were revised and approved in the June meeting.
F. New Business
   1. Regarding the Confidentiality Law of employees and volunteers, Bernadina went to a workshop by the Department of Labor for clarification. She was told that a volunteer cannot "deny an employee the opportunity to work more." They also said that it is only a problem if an employee complains. In terms of confidentiality (mainly working the circulation desk), it is only a problem if a patron complains that their confidentiality was violated. Hence, the Best Practices for Volunteers was issued from the State to help protect libraries. Mark mentioned that definitions of volunteer jobs and paid jobs may need to be developed. Kara felt that both libraries should have the same policy regarding volunteers having access to patron records (working the circulation desk).
   2. The Board Meeting format was reviewed. Mark felt that they are inefficient, without a "flow." He suggested that there may need to have additional meetings to focus time for each library. Anita felt that the extra meetings would give the trustees a more in-depth learning experience of each library. Bernadina felt that more meetings are needed in order to focus on each library. Kara agreed because she felt that the libraries are getting short changed in an effort to have efficient meetings. Extra meetings have been scheduled in September to deal with this.
   3. Activities for the 250th for the ML have been fine tuned regarding the ice cream truck.
   4. The Town Energy Committee wanted to send in a proposal for a free energy audit, limit was for three buildings. They chose the Town Hall, Town Garage and Philip Read Memorial Library. All the trustees voted "Yes" to the request from the Town Energy Committee to be included in the free energy audit proposal, which will hopefully be approved.
   5. Anita brought up for discussion on how to respond appropriately and in a timely manner to public comments. She felt that the trustees should have a response to queries presented to the trustees—even if more thought or research was required. Discussion followed with the end result being that on quick easy responses that they
could be handled at the same meeting. For other comments or questions that need more time, it would be noted that the trustees would acknowledge the issue and respond accordingly; i.e. a case-by-case basis. Mark felt that a "canned" response was unnecessary though some response was needed.

B. Reaffirm "Memorandum of Agreement" (unanimous agreement at July 26, 2010 Joint Trustee Meeting)

Anita read the above document. It was agreed that we have operated thus far according to the agreement, but that there was a need to communicate our activities and goals more directly with the public. It was agreed that formal goal setting will be put on next month’s meeting agenda.

MOTION—It was moved and seconded that we reaffirm the “Memorandum of Agreement”. The vote was unanimous and carried.

C. Public Comments

Dennis Girouard submitted a letter to the board encouraging the board to evaluate “Plainfield’s, need or ability to fund, two libraries”. Dennis also requested to post the recording of the minutes to a public website. After input from the public and discussion amongst the board it was agreed to research the idea and make a decision at the July meeting.

Suzanne and Andrea liked the idea of a general or “bullet point” summary being posted on the library websites, PlainFacts and/or Facebook pages. The board liked this idea and will implement this as well as posting minutes of the trustee meetings to the town website.

D. Monthly Reports: Receive reports and take any action required

1. Secretary’s

Minutes from the May meeting were approved with the following amendments:

1) The Treasurers’ reports were “accepted” and not “approved”.

2) Under the Plainfield Library discussion Nancy’s explanation of the legal requirements for volunteers under the age of 14 with service organizations was clarified.

MOTION—Mark moved and it was seconded that the minutes from the May meeting be accepted as amended. The motion was unanimous and carried.
2. Treasurers’

Mark reported that he discussed with Steve Halleran both libraries being over budget re: fuel oil. Steve said that he is aware of it as the town has similar concerns and said that we should continue to be frugal. Steve indicated that there is a means to appropriate emergency funds. Miscellaneous expenses are up for the Meriden Library which reflects the purchase of Meriden Library tote bags for sale. Money from sales would offset the purchase.

Bernadina asked if we should move money from the maintenance budget to fuel to cover increased fuel expenses. It was agreed that we should not change the accounting. She also asked the Directors for a clear accounting of substitute hours.

MOTION—Anita moved and seconded that the Treasurers’ Reports be accepted as reported. The motion was unanimous and carried.

3. Directors’

MOTION—Kara moved and was seconded that the Directors’ Reports be accepted as reported. The motion was unanimous and carried.

E. Committee Reports:

The issue was brought up regarding notification of subcommittee meetings. There is a difference in the interpretation of the law vs. what was relayed at the May NHLTA conference. As for now, we will continue operating the subcommittees as “working groups” that bring recommendations to the Board.

1. Policy & Risk Management

MOTION — It was moved and seconded that the report be accepted as reported. The motion was unanimous and carried.

2. Marketing—It was decided that we will set up trustee email addresses through the websites (one for each trustee and one general one that the public can use to email the trustees). We will set up an auto-response to public inquiries that their inquiry will be addressed at the following meeting and in this way we will adhere to the “right-to-know” law by avoiding private conversations.

MOTION — It was moved and seconded that the report be accepted as reported. The motion was unanimous and carried.

3. Facilities

Bernadina will investigate the index that the Fuel Club uses to set their fuel oil prices.

MOTION — It moved and seconded that the report be accepted as reported. The motion was unanimous and carried.

      MOTION—Mark moved and Kara seconded that the minutes from the April meeting be approved as submitted. The motion was unanimous and carried.
      A copy of the letter sent to Matthew Houde was also submitted and is attached.

   2. Treasurers’
      Bernadina and Mark reviewed their submitted reports.
      a. Merge Report
         Two areas of concern were discussed:
         1) Because of the increased price of oil and the long winter we have roughly $200 remaining in the PRML budget for oil for the year. After discussion it was agreed that we approach the town making them aware that we anticipate being over budget on oil for the year and ask for their input.
         2) There is approximately $15000 in the Library Building Repair Fund to which $2500 is added each year. We have potentially $7000 in repairs this year.
      b. PRML Report
      c. Meriden Report
         MOTION—Mark moved and Bernadina seconded that the minutes from the April meeting be accepted as reported. The motion was unanimous and carried.

   3. Directors’
      a. ML Report
         Mary reviewed her submitted report.
         She reported that about $1500 was made at the Plant and Book Sale. Rachel Stoddard organized the Plant Sale. She asked that we think through other fundraising options as this is a lot of time and effort for very little work.
         The updating of patron information and patron barcoding will be implemented in June.
         There was discussion as to volunteers from the Plant and Book Sale, the Meriden Library Association and the Long Range Planning Committee being the beginnings of a “Friends” group for the Meriden Library as well as when and how it would be appropriate to implement the group and 501C3 process.
         The Meriden Library was awarded a grant from the Libri Foundation. $350 from the Plant Sale will be used towards this grant. The Libri Foundation will match those funds 2-to-1.
         Mary will be away May 12-16th and has substitution coverage.
      b. PRML Report
         Nancy reviewed her submitted report. The new figures on the Interlibrary Loan Van show
that materials are delivered at a cost of .41 cents per item.
The new website for the library is up. The new email will be director@plainfieldnhlibrary.org
Anita and Kara requested that Nancy include monthly statistics in her reports.

4. Facilities
   a. Painting
      Bernadina reviewed the submitted report.
      The 3 bids for painting at PRML were reviewed. After discussion it was agreed that we needed
      more specificity on the window glazing and that is needed, each painter’s availability and to make
      certain the bids were for the same service. We will make a decision at next month’s meeting.
   b. Fuel contract
      MOTION—Kara moved and Mark seconded that we join one of the two fuel clubs Bernadina is
      checking into. The motion was unanimous and carried.
   c. ML Long Range Planning
      Kara reported that Judy Hallam met with Mark, Kara and Mary re: her concerns of the
      accessibility of the Meriden Library. Mark and Kara plan on “wrapping up” the Long Range
      Planning Committee and moving into the next phase of pursuing setting up a “Friends” group and
      accessing the funds to move forward with an addition or new building.
      Scott MacLeay’s request to consider closing the Meriden Library at the March meeting of the
      trustees was discussed.
   d. PRML Building Committee—a report was submitted

C. Discussion of Role of Trustees/Directors (tabled at April meeting)
   The roles of the Trustees/Directors were discussed. Bernadina suggested the board should set
   annual goals.

   There was discussion as to whether or not the directors and trustees should be informed when the
   various subcommittees were meeting. No conclusion was reached.

B. Monthly Reports (continued)

   5. Marketing—no report
   6. Human Resources—Anita reviewed her submitted report. We need to update our volunteer form.
   7. Policies/Risk Management—Anita reviewed the submitted report. Kim will be sending out the
      revised policies for review.

D. Plainfield Library
   Nancy reported on the convention she attended. There is still some confusion re: the use of
   volunteers. It came to Nancy’s attention that we need to add/update several policies including a
   confidentiality policy. There should be two people in the library at all times because of safety and for
   unattended children under age 18. There should be no volunteers under the age of 14 (per federal
   law) unless they are part of a school-to-work program or service organization that is supervised by an
   adult.
   Nancy read Matt Houde’s reply to our letter re: HB 2
   Nancy requested that she and Diane attend a demonstration by a web-based automation vendor. This
   discussion was continued after the Meriden Library business and Technology report. It was decided
   that Nancy and Diane will not attend.

E. Meriden Library
   Summer Reading Program
   Mary requested that the meridenlibrary@comcast.net be used for all trustee business.
B. Monthly Reports (continued)

8. Technology—Mark reviewed the submitted report. There was discussion as to a collection policy and action plan for implementing the plan. After discussion it was agreed that both libraries would start patron barcoding. Nancy and Mary will work together to make it happen.

C. Plainfield Library (continued)

Nancy has scheduled staff training by the State Library IT expert on downloadable audio and ebooks for patrons either 6/16 or 6/23. She will attempt to schedule it in the afternoon so that some staff from the Meriden Library can attend.

Next meeting: June 13; 7:15 PM; Meriden Library
Attending: Anita Brown, Kara Toms, Nancy Norwalk (Director Philip Read Memorial Library), Kimberly Moss, Mary King (Director Meriden Library)

Members of the public: Dennis Girouard, Pam Abrahamson and Diane Rogers, Suzanne Spencer

Convene 7:10pm

Public Comments
There were no comments from the public.

B. Monthly Reports
1. Secretary’s
   The minutes were approved with the correction that reports are to be sent to both Board members and Library Directors.

2. Treasurers’—approved as submitted

3. Directors’
Kara requested that the directors' reports be read. Anita summarized Nancy’s report.

Nancy brought to our attention that the state legislature is proposing cuts in the library budget that would re-designate the funding for 3 of the state library’s interlibrary loan vans. It was decided that Kim would seek input from both Nancy and Mary in drafting a letter from the trustees to Senator Matt Houde outlining the impact this cut in service would have on our libraries.

Kara then requested that Mary read her own report. Mary reported that at the meeting of the Meriden Library Association meeting 3/22/2011 it was decided to move ahead with forming a formal “Friends of the Library” group with 501C3 status. She also reported being impressed with the program given 3/29/2011 by Upper Valley Digitals. They offer several “tech talks” for a fee of $75 each, providing a slide presentation and handouts for attendees.

It was noted that there was difficulty opening and reading some of the files. It was agreed to send reports in 97-03 doc or excel form or pdf.

Both Directors’ reports were approved as read.

4. Facilities
Kara read her report. Nancy reported that PRML already has an emergency plan, and that PRML has committed the outside painting needed to Glen Ricard after bids placed last fall. After discussion it was voted to pay the septic repair costs out the Building Repair Trust Fund.

Facilities report approved as given.

5. Technology—No report submitted

6. Marketing
The Meriden library website and the town website need to be updated with the new Trustee Board Members. Mary will be meeting with Mike Sutherland tomorrow and will ask him to update the websites. PRML has begun posting the agenda for the board meetings on the website. Meriden is working on having that ability. Nancy reported that she and Bernadina met with the webmaster to discuss technology and content changes to the PRML website. Kara reported that Meriden has a Facebook page. Nancy reported that PRML has one as well, but that not much has been done with it.

7. Human Resources
Anita reported that the pay raises for the library employees will begin April 1st. Anita is reviewing the benefit/personnel package for town employees in preparation to update the policy for the libraries. Nancy reminded us that now that we have found paid substitutes we need to establish a pay scale for them. Mary and Nancy reminded us that we had set the pay rate averaging the current aides pay with minimum wage. A letter needs to be sent to the town with a pay scale for the substitutes.

8. Policies/Risk Management
Anita and Kim will set a date to meet and review policies.

C. Meriden Library
1. 4/30 plant and book sale
Mary reported that she is still recruiting volunteers. It will be from 9am-2pm in the Grange. The Plant sale will be in a tent set up outside and is being run by Rachel Stoddard. Mary will send out emails requesting help from volunteers and trustees as needed. She is also hoping to organize a “Cookie Walk.”

2. Tom Powers’ presentation
Tom is the author of “The Killing of Crazy Horse.” Mary has been trying to schedule this for several months and is now looking at May as the soonest possibility. She is hoping to have the presentation at the Aidron Duckworth Museum.

3. Old/New Business
Mary suggested that we start looking into a fuel contract for next year. She has looked into the Claremont Fuel Club. It was suggested that since Diane Rogers is on the Energy Committee and it is meeting Thursday that she take the gallons of oil used for each library to the meeting and see if they had suggestions.
D. Plainfield Libraries
1. 250th Anniversary plans
   PRML has scheduled puppeteer Dan Grady. Meriden is considering scheduling
   the “Good Humor Man” for Saturday afternoon. Mary has a display planned for their
   display case. She is working with the Grange and Aidron Duckworth Museum.

2. Spring “walk-a-bouts”
   After discussion it was agreed that as the trustees in charge of Facilities,
   Bernadina and Kara, would schedule “walk-a-bouts” with the directors at each library.

E. Discussion of Role of Trustees/Directors
   This discussion was tabled until all the trustees were in attendance. We will put it
   on the agenda for May.

F. Next meeting: May 9, 7:15 pm Philip Read Memorial Library
   After discussion, it was agreed that to accommodate the schedules/staffing in both
   libraries we would schedule meetings the 2nd Monday of each month at 7:15 pm. We
   will coordinate the meeting to be held at the library that is first on the agenda for that
   month.

   Focal points for May meeting
   Fuel contract
   “Walk-a-bouts”
   Update on Library legislation
   Summer Reading Program
