Discussion of Amending the agenda for friends report from Cindy Heath and Leeli Bonnie instead of names listed on agenda.  
Nancy Liston moved to accept changes to agenda. Mark seconded. All voted in favor.

Emily made individual statement:

“Prior to the public hearing on Monday night Clint Swift was handing out flyers, copies of the letter from Phil Zea, I believe. During this process he approached my dad, whom he had never officially met before as far as I know. I understand it was a fairly jovial exchange, as Clint opened the brief conversation by mentioning that he had almost hit my dad with a golf ball once. But after the interaction was over, Clint turned around and stated under his breath “too bad I missed”, just loud enough so that my husband could hear him quite clearly, but my father could not.”
Clint Swift spoke out of turn.

“When my husband told us what had happened, we all had a good laugh about it. But as I thought about this incident, it started to bug me more and more. And I couldn't for the life of me figure out why this rather benign insult was making my blood boil. Clint says things that are much worse to me and the other library trustees on a regular basis. I’m sure he would disagree, but from my perspective I have seen Clint bully the board from the day I took the oath of office. He once burst out in the middle of a meeting to tell me, as the Chair, to pipe down during discussion about a heated topic. This is to say nothing of the way he touts his legal degree and vaguely threatens to take some sort of action if the Board doesn't do everything he thinks we should do. …

Then eventually it dawned on me. Being critical of the library trustees was not enough. Clint actually viewed my family as fair game. He saw an opportunity to insult a 72 year old man simply for being related to me, and he actively took it, like a scab he just couldn't resist picking.”

Emily ended her remarks by asking for more civility, decency and respect.

Emily noted that the position regarding associate director will not be addressed tonight.

Public comment:
Bonnie Swift said she found statement offensive.

Rod Wendt said appreciates the board’s willingness to endure relentless attacks from opponents. He praised the board’s endurance and said he found the attacks mean-spirited. He thanked the board for having courage and backbone. He said would like to see the negative energy replaced with positive energy.

Karen Anikis thanked the board and Mary King.

Andrea Keen said she had positive feedback from her letter to the Valley News, including users of PRML and residents of Plainfield Village who are afraid to voice their opinions publicly.

Diane McDonald spoke out of turn to find out who Andrea Keen was. Karen Anikis spoke out of turn. Emily Sands asked them to hold comments until the end of the meeting.

Ron Eberhardt said that the select board unanimously supports the trustees.

Clint Swift says what has happened has not been pleasant for anyone and encouraged the trustees to adopt Brad Wilder’s solution. He denied making the comment to Emily Sands’ father. He praised Emily as chair and said the was trying to protect Nancy Norwalk.
Diane MacDonald read a letter asking the trustees to have Nancy Nowalk work in the special collections with Penny and Shirley.

Feb. 13 Meriden and march 13 Prml, 10 April Meriden. Moving time to 7pm.

Mary' directors report.

Labor inspection – An inspector visited and cited one of the PRML sheds and determined it to be too hazardous for employees. Brad Atwater was consulted and said he is not sure the building is worth fixing. The old PRML basement was also cited as unsafe for employees because of too much storage stuff. Mary King said that it needs to be cleaned out by the spring.
Special collection – Mary said that the software reviewed by Nancy was brief and not acceptable to her. Mary and Mike Sutherland are working with state technical services librarian to find software solution for special collection. Nancy Liston asked that we keep stats as to how often the collection is being used. Mary said to date no one has asked to have any of the cabinets unlocked to use the collection.

Finance Report
Mark said that for 2016 we were overspent at PRML and underspent at Meriden, so monies were transferred. Maintenance and telephone budgets were overspent. An exterior door at PRML is rotting and needs to be replaced. Mark said that $5,000 was reserved by the town from the library budget to do it in 2017. Mark is doing final report for 2016 for town report; it will be one set of numbers for both libraries.

Nancy Liston expressed her appreciation for Brad Atwater’s service. Emily indicated that despite criticism by some that the trustees favor one library over another, the trustees have been even handed in repairs to both building not favoring one over the other.

Policies
Because of a change in the law, trustees can go into non-public session to discuss legal advice even when legal counsel is not present. She put forward an amendment to the existing policy to allow for this type of non-public meeting.

Mark moved to waive reading of policy in total. Jean seconded. All voted in favor. Mark moved to accept amendment to non-public policy meeting. Nancy Liston Seconded. All voted in favor.

Projects
Special Collections - Mary is getting some one with expertise to evaluate special collection, including finding the value of the collection for even insurance purposes.

Meriden Village Study Update – The committee is winding up work. Charged with giving report for town report. Some recommendations included recommended negotiations with TDS for building and property access and reach out to other abutters. Emily suggested we invite Dewy Jones to report to us, possibly February.

Procedures – A fee schedule approved in 2012 that was the same at both libraries. However, PRML’s schedule was not adhering to the approved schedule. Mary asked the board to approve a new schedule that would be for both libraries. Nancy Liston moved to accept Plainfield public library fee schedule by Nancy and seconded by Mark. Policy committee will meet to amended overall schedule.
Mary wants us to look at policy in future for officially exempting fines for staff, and trustees. Mary surveyed other libraries for this schedule of fees. There was also a discrepancy between the two libraries about fees, copy charges, and faxes. Nancy Liston made a motion to approve the Plainfield Public Libraries fee schedule as drafted. Mark seconded. All voted in favor.

Diane Rogers – shared her proposal to close the Meriden Library. She said the proposal was entirely her own. She said she would petition the town to vote at town meeting to close the Meriden Library.

Emily asked Ron Eberhardt to the trustees if he had any response as a select board member. Ron said that it was a matter for the library board to weigh in on.

Emily read statement from Suzanne Spencer who was not present: “From the beginning of 2010 through the end of 2015, circulation at the Meriden Library increased by 70%. During that same time period, patron visits increased by 27%. Community support for the Meriden Library is extremely strong and I do not agree with any proposal to close it.”

Mark said that the statistics and survey and found nothing in the data suggest closing the library.

Emily said she looked at the survey and showing poor results for service at PRML and those issues need to be addressed.

Jean said she would like to see the Meriden Library stay open and suggested grant money for ADA compliance. Jean said Hartford has five libraries and Orford has two.

Nancy Liston said that the two libraries are core elements in each side of town based.

Emily made a motion that the board not take up the proposal on behalf of the trustees. Mark seconded. Before the board voted, Diane said she wasn’t asking the board to vote. Emily withdrew her motion.

MOU - Bev Widger collaborative meeting with Meriden meeting. Change to reflect friends only using money in support of library and Friends requirements. Jean moved to have Emily and Jean review and work with friends to finalize MOU. Nancy seconded. All voted in favor.

Bev said that her group voted already and would have to revote in March if there are any changes. Emily said that the board put a lot of work into the MOU more than a year ago, and any new changes would have to be approved by the board.

PRML Friends- reducing Parrish inventory. The friends received a $6500 Dwinnel approved to repurposed for additional downstairs approval. There will be a Little Free Libraries meeting with Meriden. The Friends will work on pricing and specs for library needs and programming.
Emily asked for if the programming and library needs list came from Mary, as that’s the director’s job. Mary said she is working with the PRML Friends can have an advisory role. The friends can run some programs on their own as friends programs.

Nancy Liston raised the concern about programming happening on Sundays when the library isn’t staffed. She also raised concern about too many committee meetings.

Cindy Heath said that there would be a separate account line for funding of scholarship versus support of the library needs. They indicated they understood Mary leads the programming when concern raised.

Meriden Friends
Soup and Book event will be Monday 30th at PES.

Public comment
Clint Swift again denied saying anything to Emily's dad. He reviewed funding of the PRML library addition. He said that there is no need to have character assignation. He hopes for more pleasantries and resolving special collection issue.

Brad Thompson said that East Plainfield also uses the Meriden Library.

Doug Loudon said that he was surprised that his son-in-law relayed Clint’s comment. He said that John is very honest and something was said which John Sands heard, and perhaps Clint said something without realizing it. He said that based on the survey, changes at PRML were necessary. The trustees represent the whole town and have been steadfast.

Clint Swift interrupted; Emily Sands asked Clint Swift to not speak out of turn.

Bonnie said that leaders are elected to lead. Positive meetings can’t be lead unless we are positive. She criticized Emily for starting the meeting in a negative way.

Emily moved to adjourn and seconded by Mark. All voted in favor.

9:20 adjournment.

12:00 Meeting called to order. Mark made a motion to approve the agenda, Jean seconded. All voted in favor.

Mary nominated Stephanie McAndrew for the open Circulation Aide position, who had applied to the position previously. She is the wife of Chuck McAndrew. She has experience in education, strong computer skills, and one thing that stood out was her experience across all age groups. Mary checked all references.

Nancy Liston made a motion to hire Stephanie McAndrew for the open position of Circulation Aide. Mark Pensgen seconded. All voted in favor.

12:05 meeting adjourned.
Present: Emily Sands, Mark Pensgen, Nancy Liston, Jean Strong, Suzanne Spencer

7:15 call to order

Brad Wilder Nancy Norwalk’s attorney spoke for 30 minutes. He alleged that the board breached the contract of a mediation agreement with Nancy Norwalk. He alleged that the board did not allow her to finish work on the special collections, had terminated her employment improperly, and had broken the Right to Know law. He threatened to sue the town on Nancy Norwalk’s behalf unless the board agreed to reinstate Nancy Norwalk with her previous pay and benefits to work on the special collections for one year.

7:53 – Town Attorney Barry Schuster spoke. He said that the board suggested Nancy Norwalk consider mediation in March 2015 and there was a delay, but she selected a mediator and an agreement was reached on July 27, 2015. While Nancy Norwalk and the town prefer that the terms of the agreement remain confidential, given Nancy Norwalk’s request for a public hearing the agreement could be discussed. Schuster said the agreement guaranteed her employment until 12/31/2016 and created a transition plan. He said that the board agreed to use Nancy Norwalk’s first choice mediator, that the mediation took two full days and was paid for by the town. He said Nancy Norwalk was represented by legal counsel and had supporters at her side through the process. He said she entered the agreement freely and willingly, and that the board voted on 12.2.2016 to act on the contract created by the mediation agreement. He said that she had close to 18 months to complete any work.

8:04 The board suspended the hearing to meet with counsel.

8:22 The board returned to the meeting. Emily said the board open to discussion of attorney Wilder’s offer, but would need to involve the select board. Mark made a motion to accept the original decision on 12.2.2016. Nancy Liston seconded. All voted in favor.

Brad asked when he could hear back. Emily said soon.
8:28 Emily made a motion to adjorn. Nancy Liston seconded. All voted in favor.

Approval of Minutes

8/9/2017 – The board tabled the minutes approval so that Dick can look into Bonnie Swift’s correction request.

Proposed future meeting dates:
10/30 – PRML
11/20 – Budget and regular meeting – Meriden
12/18 – PRML

Other – Nancy Liston gave update about PRML Friends meeting she attended. She expressed concern that the Friends should not be taking it upon themselves to make acquisition decisions for the Special Collections. She said that one member made a proposal to do so during that meeting.

7:20-7:35 Reports
    Directors Reports
    Finance Reports

7:30-7:50 Working groups -
    Policy – Bylaws - The board discussed Bonnie Swift’s request for changes to the draft bylaws and noted that the draft had already received a legal review, and that no changes were recommended after another legal review of her request. The board also noted that her example of the Howe Library board’s bylaws perhaps wasn’t the most relevant, as that board is not publicly elected.

    Suzanne made a motion that the board adopt the draft bylaws as written. Nancy Liston seconded.
    Suzanne – yes
    Nancy Liston – yes
    Emily – yes
    Jean – yes
    Dick - abstain

    MOU – There is a meeting set with the two friends groups and the policy committee. The board agreed that the chair may participate in the meeting discussion if she can attend.

    The board noted that getting reps from both friend groups and board together to discuss the PRML Friends’ proposal has been extremely difficult; this was not supposed to be a burden.

    Suzanne made a motion that if the policy committee is not able to meet with both Friends Groups to discuss PRML proposed MOU by 10/3/2017, that the policy committee will meet on its own to review the proposed agreement. Nancy Liston seconded. All voted in favor.

    The board noted that the policy committee may choose to meet on its own anyway after that meeting to continue its review and make any formal recommendation to the board.

    HR – Director review – The HR Committee will look at the director review documents and propose any changes at the next meeting and start process after that meeting.
Finance – revote on PRML Friends donation -

Account Update

Cornish reciprocity - The chair checked with Nancy Norwalk who was present to see if there was any document that states a reciprocity agreement between the two library systems. Nancy Norwalk said there was an agreement between the single PRML board and the Cornish library board. Those bylaws are no longer governing documents. The current bylaws allow people who live in other towns who work or attend school in Plainfield to have library cards; the board noted that this is a generous policy compared to other towns library systems.

Mary King distributed a spreadsheet with cardholder zip codes that showed that roughly 20% of Plainfield Library cardholders are Cornish residents. The board discussed making a request that Cornish help share the burden of cost. A request of $1000 would be less than one percent of the current budget.

Suzanne made a motion that the Plainfield Public Libraries Board of Trustees authorize the chair to write a letter with the input of the director to the Cornish Library Trustees requesting a contribution of $1,000 towards the library budget for greater reciprocity between the two library systems. Nancy Liston seconded. All voted in favor.

Facilities – Dick debriefed the board about the 4th of July. Emily expressed concern that the trustees should not be handling money for the PRML friends; they should have a rep present if there will be sales. Dick said that there was only one trustee present during the last half hour that the library was open and members of the public were in the building.

Tuesday October 10, 2017
2:10 p.m., Meriden Town Hall

Present: Nancy Liston, Suzanne Spencer, Jean Strong

Draft Minutes

2:19 Suzanne asked if the Policy Working Group wished to meet, as the meeting was warned.

Public comment: Bonnie Swift objected to the meeting happening without the friends’ participation. Nancy Liston said that Cindy Heath, the PRML Friends president was aware of the meeting, and Amy Lappin was out of town.

Suzanne read the 9.18.2017 unanimous board vote that authorized the policy working group to meet on its own, since getting everyone together was proving to be more difficult than expected.

Chris Dye asked which of the two MOUs we would be looking at. The working group noted that the shorter one was approved at the board’s October 2015 meeting and signed shortly thereafter by the Friends of the Meriden Library and the Trustees. The longer version was a proposal that the PRML Friends have asked the board to consider adopting in the approved version’s place.

Cindy Heath arrived as the board began discussing the PRML proposed MOU and was able to answer questions and give input.

The board marked up some changes to the proposed MOU to reflect voter sentiment at Town Meeting for the need for mutual support of both libraries, as well as eliminating a loophole. Suzanne said she would send out a draft incorporating the proposed changes to both friends groups in the next day or two.

2:50 Suzanne made a motion to adjourn. Nancy Liston Seconded. All voted in favor.

Administration –

Review of Right to Know Workshop – Suzanne noted that by measure of advised practices in workshop, Plainfield Library Board is in “good shape,” reported advice to Board to save original drafts of Minutes, and not to include in Minutes public input, and advice to have quorum in working groups.

Correspondence – record of email from Mrs. Bonnie Swift asking to call Terry Knowles (see below) in re complaint filed.

Administration – recognition that complaint referenced above was correct.  
Motion by Suzanne Spenser, seconded Richard Davidson, to approve 8/9/17 and 9/18/17 Minutes. Approval unanimous.  
Note of e-mail from Steven Halleran re format of Board meeting Minutes.
Donations – none

Approval of Proposed Meeting Dates 1/22/18 and 2/12/18. Motion by Suzanne to approve, seconded Nancy Liston. Approval unanimous.

Reports – Mary King, Director, presented review of upcoming and necessary expenditures, *e.g.* furnace checks and cleaning, locks, repair of PRML door, windows to be washed. Motion by Suzanne to authorize Mary to check with Town Manager *in re* repairs, seconded by Dick. Approval unanimous.

Mary updated Board on plans concerning holidays – to have only one of the two libraries open on the Saturdays of upcoming holiday season. The Board’s “sense of the meeting” was that this is entirely reasonable.

Mary provided additional updates as ‘budget time’ approaches: her consideration of efficacy/cost effectiveness of foreign language software, ‘transparent language’, online learning package. She noted that online learning classes are “new to us,” and led Board in discussion of a possible $700-$800 line item for a “materials budget.”

Finally, Mary reported, concerning Web Pages, that we had received, at present, one proposal (not yet enough) for Board decision, and that there would be further review of Web Page usage and how other libraries set this up.

Finance – Emily Sands noted that this would be an Interim report: PRML will probably exceed the fuel budget, but budget prospects overall are good going into the end of the year. In the works, a plan for separate account for PRML. Mary noted that we were able to fix an oil price more favorable than current market price.

Working Groups – HR Director Review Forms: Nancy suggested we ‘set goals’. Sense of meeting that there be process whereby individual review is followed by discussion and setting of goals. Motion by Suzanne to adopt Director Evaluation Forms with Chair authorized to make changes to be sent to full Board, with following separate motion to adopt. Motion seconded by Nancy. Approval unanimous.

Suzanne updated Board on progress of Meriden Building Committee, reported being “very impressed” with the depth and range of discussion in the two meetings held to date. The likely plan would be to build a new building on the present ML site, and for the building to be ‘net zero’, *i.e.* energy efficient.

Mary reported on the Tasker Bridge Grant, ideas for funding, and shared draft of letter requesting $500 “to support the initial costs for a building fundraising campaign.”
Finally, a brief initial discussion of request from Stephanie Shell that PRML consider hosting one of the Senior Lunches: might Friends of PRML consider funding?

Public Comment – Nancy Norwalk noted that in financial report, no record of expenditure in elevator maintenance line.
